Southwestern Senior Care provides in home and community care to seniors to assist in their ability to maximize independent and quality living.

Southwestern Senior Care, LLC provides services to all persons sixty years or older regardless of race, sex, sexual orientation, religious affiliation, ethnic origin, veteran status, economic status or physical disability.

We provide highly-qualified, experienced and dedicated staff who are committed to offering quality services to individuals and their families. These services are designed to ease the consequences of the conditions that would otherwise require the person to move to a higher level of care outside their home.

Services are focused to promote safety, health, well-being, personal growth and independence through empowering individuals and their caregivers.

Enhancing the quality of the person's life is our mission.

SENIOR CARE SERVICES

COMPANION SERVICES...

Companion services are provided in accordance with a therapeutic goal in the care plan. The service includes non-medical care, supervision and socialization to a functionally impaired adult. Light housekeeping duties may be involved.

COUNSELING...

We provide mental health counseling services to the consumer. Services may address such issues as problem solving and coping skills, individual/marital and/or family stress, substance abuse, treatment of depression, nutritional education/counseling and family problems involving abuse or neglect.

PERSONAL ASSISTANCE SERVICE...

We utilize the "agency directed model", personal assistance provided in a consumer's home that includes home personal care and other approved activities to consumers with functional disabilities, who need assistance to accomplish daily living tasks in order to live in the community.

PERSONAL CARE SERVICES...

These services include assistance with eating, bathing, dressing, personal hygiene and other activities of daily living. According to the plan of care, the service may also include housekeeping chores that are essential to the health and welfare of the consumer.

RESPITE CARE...

These short-term services are delivered in the home and are designed to relieve family members or primary caregivers who normally provide care.

To access services, call Southwestern Senior Care, LLC at **(412) 781-3990**.
